Integration of Migrant Women  
Joint Urban Initiatives  
Innovative Agriculture Practices

[urbagri4women.com](http://urbagri4women.com)

**Urbagri4Women** promotes social inclusion and female empowerment through the rehabilitation of urban outskirts, currently in a situation of abandonment or decay, where the practice of urban agriculture is applied through practical workshops that aim to foster intercultural dialogue and more sustainable cities and communities.

In order to support the policy of inclusion of migrants in the EU, the **Urbagri4Women** project implements several initiatives promoting the integration of migrant women in 7 European countries.

## THE MAIN ACTIVITIES OF THE PROJECT ARE:

- Urban Agriculture Labs
- Focus Groups with regional communities with specific know-how
- Transnational Workshop on Good Practices in Strasbourg, France
- Transnational Gardening Contest
- Green Paper and Manifesto on the integration of migrant women
- Final Conference in Lisbon, Portugal
